Missy,

Just yesterday Driving store to store  
for the 'right' binkie, stocking the deck  
in Condyland, equestrian skill on the  
rise, off to Paris. Now... you plan for  
college! We couldn't be prouder!

Love,

Mom and Dad

Lyndy,

It's All Good!

Congratulations and good luck! We are  
going to miss your smiling face. Love  
you more than words can say.

Mom, Dad, Ryan, Brendan and Penny

P.S. Now get it done!

Lmy,

We know you will do something that  
will help the world in some way, some  
day. We all wish that we could leave  
the world a little better than we found  
it. We know that you will actually  
accomplish this dream.

Love

Mom and Dad

Scott,

You are a terrific son and brother who  
makes your whole family extremely  
proud. It has been 18 years of nonstop  
action and what fun you have brought to  
our family! We love you very, very much  
and we are certain you will be successful  
in any direction you choose!

Mom, Dad and John

Piccolino,

Spesso che non sarà troppo difficile  
restare qui in la foto in Norwell  
quando hai visto Milano. Per me era  
specialmente difficile l'Audito scorso,  
quando eri partito solo per l'Italia, ma  
sapevo, nella mia mente se non nel mio  
cuore che sarebbe meglio. Ho cercato sem-  
pre essere tuo papà e tua mamma - l'altro  
forse non così bene come il primo - ma ho  
provato. Oggi Norwell, domani vincerai  
il mondo. Con amore sempre, Daddy.

Michelle,

We are so proud of you!

Love Dad, Mom, Mitchell and Nurse

Mr. Mike,

We are so proud of you because you never  
were afraid of the big change in your life.  
I'm sure that your father anywhere he is,  
thinks the same. Please never change and  
keep doing your best as always.

All our love,

Mom, Dad, Joe and Roger

Louise

Our last to walk the halls of NHS! We  
wish you all the best that life has to  
offer. We are so proud of you.

Love

Mom, Daddy, Erica and Kristen

Helen,  
You are the light of our lives. We love  
and admire your spirit. We are so proud  
of you.

Love, Mom and Wes

Helen,  
My brightest light, your achievements  
have surpassed my greatest dreams. Your  
future successes are limitless. You're a  
treasured gift. I love you.

Dad

Matt

Our dreams have come true! I wish for a  
healthy baby who's grown up to be a fine  
young man.

Love,

Mom and Dad

Lindsay,

Dad and I are so proud of you and all  
your accomplishments in life. You are a  
beautiful, special daughter. We love you.  
May the next chapter in life bring much  
joy to you.

Love,

Mom and Dad

Congratulations John,

No doubt you will do incredible wherever  
you focus your energies. Always do what's  
right and what's best and you will continue  
to succeed.

Dad and Mom

Thank you Mom and Dad. Thank you to my friends

left over. Wood! Playing pointball and airsoft in

Camp outs, bonfires, and loser tag at night. Half  
days eating around town before receiving spiced  
milkshakes. Bad track years throwing seniors in riv-

more time running from the team than with them.  
The French trip was worth all three years of class.  
Great times in Dijon and Paris, and at Musee de  
Orsay. Run! MOD don't become the next red  
man. Great times burning fields, hunting cyotos  
with Rory, Mott, Tim, and everyone, and beach  
parties over the summer. The longest slip and slide  
ever! Ski team was the best; with Tim, Mott, Alex,  
Robert, and Zach. Going to Rogged skiing on

## Third Eye Opening (A Teacher's Oath)

To finally see the light that shines within us all  
And sense the greater force by which we're guided  
To look past the inner doubt and hear a higher call  
Now sharing the abundant grace that we're provided  
Neither fearing previous darkness nor pain saddened faces  
To evolve transformed, transfixed, translucent, and yet  
reflective

Like some cosmic mirror bringing light to long hided  
places

To become a mystic conduit, outwardly joyous yet  
serenely introspective

To be at once at ease, and at peace with all those we  
touch

Understanding the difference between what is fact and  
what is truth

Or seeing that knowlege and wisdom, while similar, still  
differ by much

All this, felt by the hands of experience and sensed with  
the soul of youth

It is ours to share with brothers and sisters of lesser  
understanding

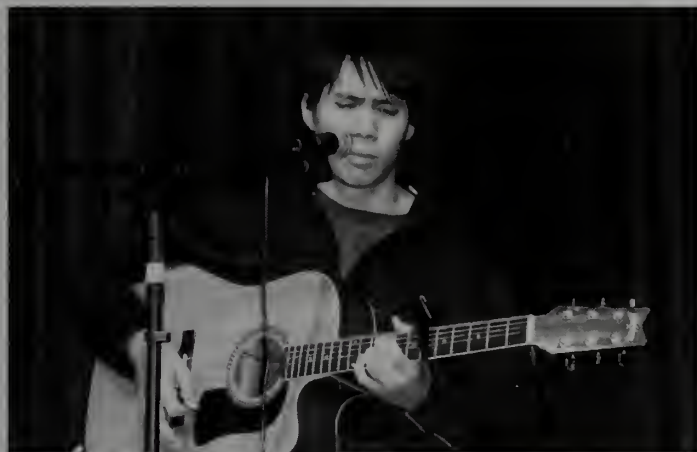

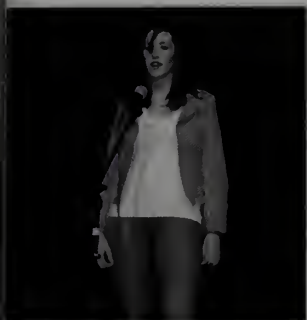

And those children and children's children, as yet unborn  
will see our light

And come to know of love, unconditional, and undemanding  
So that, perhaps they too might share our inner sight
